My Personal Inventory Form

Fill out this form to keep documentation of all valuables that may be targeted by thieves in the event of a burglary.

Step One:

Go through each room of your house and identify items of value. Record make/model/serial number of these items.

Step Two:

Photograph the items.

Step Three:

Store this list in a safe place.

In the event that you are the victim of a burglary or theft, call 911, then locate this personal inventory form and provide it to the officer who responds to your call.

This is a project of the Safer Covington Action Network.
